

Tekla Steel Detailer

JMT Consultants Inc. – Winnipeg, Manitoba and Atlanta, Georgia

Job Type: Full-Time, Permanent

JMT Consultants Inc. is a growing structural consulting firm that is currently seeking an experienced Tekla steel detailer to join our dedicated team. This position is available for working remotely to individuals located outside of the Winnipeg or Atlanta area.

We are looking for a detail-oriented team member that can accurately and efficiently detail structural and miscellaneous steel projects using Tekla Structures while ensuring client standards are upheld and company procedures are followed.

At JMT Consultants Inc. we value our team members and offer a full medical benefits package, vacation/sick time, flexible work hours and relaxed office environment. We provide an annual company retreat and all team members receive an annual profit-sharing bonus.

Responsibilities:

- Prepare Tekla models following the structural and architectural design drawings.
- Connect steel member per connection design information provided by the EOR
- Create and edit shop/erection/part drawings per customer requirements and standards.
- Coordinate with fabricators, engineers and architects to meet project requirements
- Create and incorporate all RFIs
- Prepare drawing packages and issue to the client per scheduled delivery dates

Qualifications:

- Any level of knowledge of Tekla Structures
- 5+ years' experience as a Steel Detailer – willing to consider candidates who can demonstrate significant experience in a related field
- Experience in structural and miscellaneous steel construction, fabrication, and the ability to read drawings
- Self-motivated and ability to complete multiple tasks with minimal guidance
- Deadline driven with an attention to detail

Requirements:

- Diploma/certificate
- Canadian Citizenship/Legally able to work in Canada or American Citizenship/Legally able to work in United States of America

How to Apply:

Send cover letter and resume to email link provided or mail@jmtconsultants.com

We thank all applicants who apply, however only those selected for an interview will be contacted.
